ORDER

THIS MATTER IS BEFORE THE COURT on Defendant Wilson’s “Motion To Seal” (Document No. 86) filed June 4, 2024. This motion has been referred to the undersigned Magistrate Judge pursuant to 28 U.S.C. § 636(b), and immediate review is appropriate. Having carefully considered the motion and the record, the undersigned will grant the motion with modification.

A party who seeks to seal any pleading must comply with the Local Rules of this Court. “Motions to seal a particular [criminal] pleading or any portion thereof and orders disposing of such motions are governed by the requirements for sealing provided by LCvR 6.1, incorporated herein by reference.” LCrR 49.1.1 (a).

Local Civil Rule(“LCvR”) 6.1 provides in relevant part as follows:

LCvR. 6.1 SEALED FILINGS AND PUBLIC ACCESS.

(a) Scope of Rule. To further openness in civil case proceedings, there is a presumption under applicable common law and the First Amendment that materials filed in this Court will be filed unsealed. This Rule governs any party’s request to seal, or otherwise restrict public access to, any materials filed with the Court or used in connection with judicial decision-making. As used in this Rule, “materials” includes pleadings and documents of any nature

and in any medium or format.

(b) ***Filing under Seal.*** No materials may be filed under seal except by Court order, pursuant to a statute, or in accordance with a previously entered Rule 26(e) protective order.

(c) ***Motion to Seal or Otherwise Restrict Public Access.*** A party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

LCvR 6.1.

By the instant motion, Defendant seeks to file "Defendant's Memorandum" under seal. (Document No. 86). Defendant contends that "Defendant's Memorandum" consists "solely of Medical Records and Confidential Medical Information." Id.

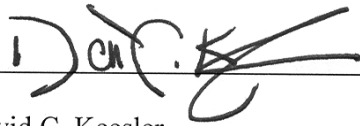

Having considered LCvR 6.1(c) and LCrR 49.1.1, and the record of this case, the Court will allow Defendant's motion. However, it is unclear what document/memorandum Defendant seeks to seal, why there is no alternative to sealing, how long Defendant seeks to have the proposed filing sealed, or what legal authority Defendant is relying on in support of sealing. See LCvR 6.1.

Based on the foregoing, Defendant may file a memorandum under seal but Defendant must also file a publicly-available version of the sealed document that redacts confidential medical information.

IT IS, THEREFORE, ORDERED that Defendant Wilson's "Motion To Seal"
(Document No. 86) is **GRANTED with modification** as directed above.

SO ORDERED.

Signed: June 5, 2024

David C. Keesler
United States Magistrate Judge
